The Bottle Imp

Also known under its German title, *Flaschenteufel*, this is one of Günter Cornett's clever card games. This one is based on a Robert Louis Stevenson short story (included with the game). Players have a hand drawn from a known set of cards in three colours/suits. They use these to win tricks. Gaining the wooden 'bottle' (that contains the malevolent imp) helps, but they don't want to be left with it at the end of the hand. It sounds simple, but is quite fiendish.

Down Under

A development of Günter Cornett's earlier tile-laying game, *Schlangennest*, this game has an Australian theme. It adds extra scoring opportunities, that provide additional tactical options, but is essentially the same. Players lay their tiles—which show their own and neutral paths—in an effort to build the longest route within a grid. The package contains a bonus second game (*Sturt's Stony Desert*) that uses the reverse of the tiles.

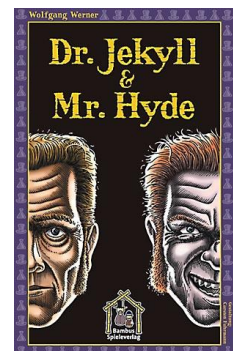

- For 2-4 players, aged 8+
- Playing time 20-30 minutes
- UK RRP £15.00 (inc VAT)
- Trade price £7.83 (ex-VAT)

Dr Jekyll and Mr Hyde

Another clever card game from Günter Cornett, based on a Robert Louis Stevenson story. Played in teams, the goal of the game is to steer Dr Jekyll or Mr Hyde to victory. But each player has only limited control over their own cards and will have to play cards for their opponents. Subtle communication and sensitive tactics are needed.

28 different, beautifully illustrated playing cards depict characters, places and events from the novel. A supplementary booklet presents the background to the story and corrects some false impressions of Dr Jekyll and Mr Hyde.

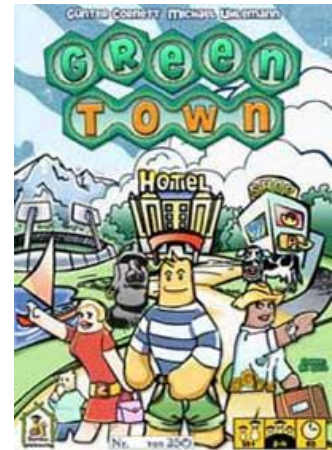

- For 3-4 players, aged 10+
- Playing time approx 60 minutes
- UK RRP £9.00 (inc VAT)
- Trade price £4.70 (ex-VAT)

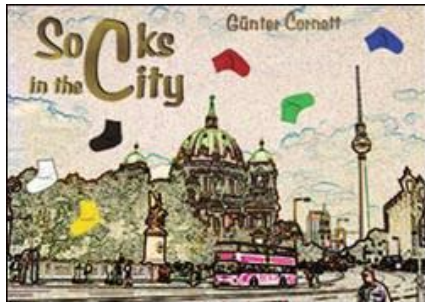

Greentown

This is the latest game from Günter Cornett, co-designed with Michael Uhlemann. Sleepy Greentown has decided to open itself up to outsiders. Nature, cultural, sporting and shopping sites are to be created to satisfy the tastes of various tourists. Players must decide whether to expand Greentown's street grid and erect their own buildings or to lead a tour through the town. It's tours that score victory points, but players cannot just take tourists round. What's more, they will need to include opponents' buildings and give them some points.

- For 2-4 players, aged 10+
- Playing time 45-60 minutes
- UK RRP £25.00 (inc VAT)
- Trade price £13.04 (ex-VAT)

Socks in the City

Everybody has odd socks in their drawer. But where do all the missing ones go? In this clever game from Günter Cornett they are having the time of their life on the town! Players first build the town from hexagonal tiles and then try to reunite the pairs of socks scattered across the 'board'.

- For 2 players, aged 8+
- Playing time approx 30 minutes
- UK RRP £18.00 (inc VAT)
- Trade price £9.39 (ex-VAT)
