

QWG Games

Bloom

A game of competitive gardening! Players aim to put together bouquets of a selection of flowers. However, they can only grow a limited number themselves. So where do they get the rest? Players must defend their fields!

Under the title “La Bonne Soupe”, the game was a winner of the 2006 *Concours International de Créateurs de Jeux de Société*.

Boss Kito

This is an entertaining family game that has the players as a troop of gorillas. Using their stash of bananas, they try to win favours from the troop’s leader, Boss Kito.

The winner is whoever has the best collection when the bananas run out. The brightly coloured, amusing cards add to the fun.
