

## Ultimate Werewolf—the Ultimate Edition

**Ultimate Werewolf** is the ultimate party game for anywhere from 5 to 68 players of all ages. The setting is a quiet little 16th century village that has suddenly become infested with some very unfriendly werewolves ... can the villagers find them before they devour everyone?

Each player has an agenda: as a villager, hunt down the werewolves; as a werewolf, convince the other villagers that you're innocent, while secretly dining on those same villagers each night. Dozens of special roles are available to help both the villagers and the werewolves achieve their goals while thwarting their opponents.

This edition is a professionally packaged boxed set containing

- more than 40 unique roles (full colour cards),
- 18 different scenarios to allow groups of all sizes and experience levels to quickly get up and running,
- a set of 80 fully illustrated cards,
- a moderator scorepad to keep track of games,
- and a comprehensive game guide with dozens of pages full of insights, tips and strategies.

This set has everything needed for the best **Ultimate Werewolf** experience possible, whether with a small circle of friends at home, a huge gathering of gamers in Ohio or as an engaging team building exercise at the office.
