

Wits & Wagers – 2nd Edition

North Star Games

From the designer and publisher who brought us *Cluzzle* comes “the trivia game for people who don’t know stuff.” It starts with normal trivia questions. Players make their answers (“guesses”) public. Then everybody bets on which is the best answer. It’s getting the bets right that wins the game. And players are involved all the time.

Designed by Dominic Crapuchettes, *Wits & Wagers* has gained 11 awards, including the 2007 “Party Game of the Year” from *Game* magazine.

The second edition has a brighter and cleaner design (as shown here) that helps the game pop off the shelf. A 1-2-3 explanation on the back of the box shows how simple the game is to play. All the questions have been updated and there are 100 new questions. The betting odds have been increased and the rules simplified.

- 3-21 players
- aged 10+
- 30 minutes
- RRP £20.00 (inc VAT)
- Trade price £10.21 (ex VAT)
